

JOLTIN' JONES—Camera catches Parnelli Jones, Torrance terror, in a somewhat pensive mood, but he's really thinking about winning the lion's share of the \$10,000-guaranteed purse Saturday night at Ascot Stadium during the National Sweepstakes, 500-lap late model stock car classic. Jones guns a 1959 Ford for Vel's Ford Co. of Torrance. He's had poor luck last couple of outings, gaining the lead in the main events only to encounter engine trouble. Sponsor Vel Milefich and Jones hope to go all the way Saturday night.

dashing then...
DATED NOW
(savings can still be as outmoded)

Southwest's higher earnings are the difference between old-fashioned and modern saving

Do you keep up with the times? Then give your savings the same opportunity. And this opportunity lies in the insured protection of a Southwest Savings account. Generous returns added to your passbook every three months mean faster growth... greater profits. No question about it, you're money ahead when you place your funds with Southwest Savings. And earnings start the 1st of the month on accounts opened by the 10th.

each account insured up to **\$10,000** **4%** current rate per year Paid Quarterly
